MISSOURI NUMISMATIC SOCIETY
St. Louis, Missouri

May Bulletin — Number 9, 1962 - 1963 Fiscal Year — 2 May 1963

1. Our Missouri Numismatic Society will hold its 258th meeting in the Victoria Room of Hotel Claridge, 18th and Locust, St. Louis, at 8:00 PM, Monday, 13 May 1963. Please make every effort to be on time as starting time of our last several meetings has had to be delayed due to many late arrivals.

2. Remember to have your membership card in hand for presentation at the door, and readily available throughout the evening, so your number may be withdrawn for the attendance prize drawing, your attendance recorded, and your identity easily established for all official Society participation.

3. Would you like, for a few brief moments, to be transported to the land of eternal sunshine, balmy breezes, and beautiful scenery, and at the same time, add to your lore of numismatic knowledge about some of our very early Western Hemisphere money? If so, join The Stevensons at this meeting for pictures of our U.S.A. West Indies, some interesting facts concerning this area and Danish West Indies coinage, and actual coin displays. The Stevensons hope you will share their enthusiasm for this very interesting and colorful phase of our U.S.A. geographical and numismatic history.

4. Of course, there will also be available, for your pleasure, the usual Bourse tables, auction, refreshments, and good fellowship, but we need YOU to make our evening a complete success. You can add greatly to this success by introducing yourself to that stranger standing next to you so at the next meeting, you can walk up to him, shake his hand, and call him by name. You'll be surprised how much more you'll enjoy our meetings.

5. Our Librarian-Historian, Mrs. Mary Pearson, will have her usual library table set up for your information and use, and will welcome any interesting bits of information -- personal or otherwise -- you may wish to share with fellow Society members. Among other things, our booklets, "Introduction To Numismatics", have arrived, and your copy may be claimed from Mary, or her representative, upon payment of the 60¢ charge. Please do not take a copy without first paying, so her records will be complete and accurate. There will be a few extra copies of this booklet available on a first-come, first-serve basis, for those of you who did not order. The same charge will prevail.

6. Those of you who were present at the April meeting know that our Nominating Committee composed of Dr. George C. Nick, Chairman, and members Walter Vredenburgh and Bill Zimmerman, proposed the continuance of all present officer and Board member incumbents as the 1963-64 slate. Accordingly, the following members will constitute the proposed slate:

President:	Charles Page	Board of Governors:	
Vice-President:	Mrs. Caroline Boehme	Chairman:	Edward Boehme, Sr.
Secretary:	Mrs. Bernice Stevenson	Members:	Chris Schlather
Treasurer:	John Stevenson		Albert Wick
			Tom Elder

In addition, in accordance with our Constitution and By-Laws, nominations from the floor will be entertained at this meeting, with voting by secret ballot, taking place at the June meeting. PLEASE NOTE: Nominations from the floor will not be entertained at the June meeting. Therefore, if you have a candidate you want to nominate, you must make this nomination at the May meeting. This, too, is in accordance with our Constitution and By-Laws, and was designed to expedite voting on election night.

John and I hope to see you Monday, 13 May!

Cordially,

Bernice Stevenson
